

HERMANN SONS LIFE

SCHOOLS OF DANCE

Dance registration for 2023-24 now open

Hermann Sons Life Schools of Dance are now registering students for our 19 schools located in South and Central Texas. You are receiving this brochure because you have a junior member in your household who has a Hermann Sons Life insurance policy and qualifies to participate in this wonderful benefit.

The 2023-2024 benefit is available to policyholders (members) in good standing who will be 3 to 17 years of age as of Sept. 1, 2023. To be in good standing, all life insurance premiums and dues must be current and remain current throughout the dance year. Members may enroll in any one school of dance that they choose.

Our member benefit is designed to teach the art of dance in a wholesome atmosphere of fun, work, physical exercise and fellowship. Each school of dance teaches varying degrees of tap, ballet and jazz.

Because these classes are a member benefit, there is no monthly tuition. However, there is a one-time registration fee. This fee is determined by the school to help pay for facilities and cover day-to-day operational costs. The amount of the fee varies from school to school. You will pay that fee at the time of registration. This fee is only re-

fundable prior to the start of dance classes.

The Home Office also collects an assessment fee at the time of registration that helps offset operational costs that the Home Office covers for all schools. This fee is nonrefundable.

Each teacher is an employee of Hermann Sons Life. The teacher(s) and at least two parent volunteers are responsible for the day-to-day operation of the school.

There will be several opportunities for parents to volunteer throughout the year. We encourage you to ask the teacher or parent liaison about these opportunities. (Examples include the Fund-raising Committee, Recital Committee and classroom monitors.) All parent volunteers are required to pass a yearly background check. The background check form is available through your school of dance teacher.

Dance registration instructions

PLEASE NOTE – If you have already set up an account with Class Juggler for Dance registration or Camp registration in previous years, you do not need to set up a new account for Dance registration. You will need to use the access code provided to you.

If you have not set up an account with Class Juggler, please read the following instructions carefully and save this information. We understand this seems like a long process, however, once your information is entered into our system, it will be stored until your dancer becomes inactive for 1-2 years. If you have another child who will be registering for Camp or Dance, you will be able to access your account and register them for those benefits without having to re-enter any contact or payment information.

If you have any problems completing the registration process, please contact the Home Office Monday-Friday from 8 a.m.-4:30 p.m. by calling 210-226-9261 or 800-234-4124, ext. 239.

1. Go to **hermannsonslife.org**. Scroll to the bottom of the Home Page and find "REGISTRATION." That will take you to a page where you can begin the registration process. Or you can go to Member Benefits, then Schools of Dance and then click the Registration button to begin the process.

2. Once you are directed to the Class Juggler log in screen you will need to click on the "Register Now" button in the top right hand corner.

3. It will ask you for your access code provided to you to complete registration. (Note: The system will ask you for this code several times.)

4. You will be asked to set up your own username and password. (Username will be your email address.)

5. It will then take you step by step to set up your family's information.

6. You will be asked to accept the Class Juggler user agreement.

7. Once you have agreed to this you will be sent to the welcome page. This page will show you how to add your dancers and your payment information.

8. To add your dancer ("student") information, you will see a menu on the left side of the screen. You will need to click on "Family Information" then "Choose Student". This will take you to a page where you have the option to "Add Student". You will add as many "students" as you need. You can add all of your dancers who will be attending Dance classes this year.

9. Once all of your dancers are added you will need to set up your payment information. On the menu to the left you will see "Manage Payment Info". You will be asked to enter the credit or debit card information that you will want to use to make your registration payment. Be sure to check the box on the left that gives permission to charge the card.

10. Once that step is complete you are able to shop for your

chosen School of Dance. On the menu to the left there is a "Shopping Option." Click on it and you will see "Shop for Classes".

11. This will take you to the Store screen.

12. You will be asked to enter your access code again.

13. A list of available Schools of Dance will show up on the next screen.

14. Choose your School of Dance, and add the student that you are registering for this School of Dance.

15. Your School of Dance will go into your cart. Once you have registered all of your dancers you will then go to your cart to check out. Do not insert an amount for payment. It is zeroed out for the amount to be charged correctly. The registration and assessment fees will be added when you complete checkout

16. Once you have completed the check out process, your order will be held in the system until the Home Office is able to check your child's membership eligibility.

17. Once the Home Office completes this step, which may take 1 to 2 business days, we will process your payment using the credit or debit card information you have entered.

18. You will then receive your Dance Confirmation email.
